Boston, Telong 24. 1872.

If you desire any bonds for yourselves or priends I can supply them on reasonable terms. The Chicago Burlington & Cheiney R. R. Co. have for plain of to bonds, dated Jan. 1. 1842, twenty four years to run, which have now been offered to any one. The whole on any part of them can be had at par is account interest. The Company owe so small a mortgage debt that their plain bond is regarded as good as mortgage bonds. I am also to have soon 200 Chicagon Jowa lands, been offered to any one I sold for the company last year al 95 %, a larger part of them to our most conservative people for trust purposes.
